

RIISING ABOVE THE IMPOSSIBLE

WRITING YOUR STORY OF INVISIBLE MENTORS

CHAPTER 10

Congratulations! We did it! For 14 weeks, we've journeyed together through *Motivated By the Impossible*, discovering how to rebuild ourselves from the inside out and learning what it means to live a life of authenticity that's full of joy. Armed with the revelation that if God is for us all things are possible, we've learned that we can overcome every trial, every circumstance, and every impossibility by embracing it as our invisible mentor.

On this journey we have...

Chapter 1

- fearlessly *danced on hot coals*, learning that the greatest miracles in our lives take place in the fire.

Chapter 2

- survived on the *bus ride of life*, finding strength and perseverance in the face of unfairness and darkness.

Chapter 3

- climbed the *152 stairs to contentment* and found redemptive purpose and healing for our memories.

Chapter 4

- seen our *dreams take flight* when they are focused on God's greatness and purpose for our lives.

Chapter 5

- *skydived with a 12,000-foot perspective* and learned to reset our goals and avoid self-sabotage.

Chapter 6

- been *liberated from the invisible crutches* that have outgrown their usefulness and held us captive.

Chapter 7

- found *restoration when all seemed lost* and resilience through contemplative prayer.

Chapter 8

- traveled the *pathway to joy* and learned to rise strong from the ashes.

Chapter 9

- come forth as *liquid gold*, purified by God's healing love.

And now, I pass the baton on to you! This is only the beginning of your new journey.

Always remember, every impossibility is just another invisible mentor.

The impossible is your life—Recognize it!

The impossible is your assignment—Accept it!

The impossible is your destiny—Live it!

TAKE TIME TO THINK AND DISCOVER:

I want to encourage you as you fill out the final experiential imagery and personal reflection question. Writing your story is a powerful way of viewing your journey's discoveries with new eyes, using the fresh perspective you have gained through the course. How are you beginning your story today? Start today, even with a few sentences. No one can write it better, no one can feel it as deeply, and no one else can own your story.
